O R D E R

It has come to the notice of the undersigned that some of the Clinical Establishments possess multiple CE Licenses having same nomenclature and same address. This creates a lot of inconveniences in day to day work under the guidelines of "The West Bengal Clinical Establishments (Registration, Regulation and Transparency) Acts & Rules 2017".

All CMOHs are hereby directed to issue one and only one CE license to a particular Clinical Establishment at a particular address mentioning all the facilities including total number of beds, if any.
